Summerthought is proud to present the stunning images of **Wayne Lynch** - one of the **world's pre-eminent wildlife photographers** - in hard cover for **under \$20**.

Few destinations in the world match the Canadian Rockies for its combination of dazzling mountain scenery and abundance of wildlife. Bighorn sheep, elk, moose, deer, and black bears are seen by many visitors, often from the comfort of their vehicles. Other species, such as owls, cougars, and grizzly bears, are also present, but are more secretive and rarely seen.

Printed in Canada by Friesens, *Wildlife of the Canadian Rockies* maintains the high standards of production the images of Wayne Lynch deserve while remaining an affordable product for locals and visitors alike.
